

Comfort Inn Robert Towns

"We do small Conferences Better"

Our small Conference room, situated on the ground floor of the main building, provides easy access and convenience. It is air-conditioned, quiet, comfortable and free from distractions.

Although there is only the one room it opens onto the main restaurant which is not used during the day and therefore provides an excellent extension for facilitators requiring delegate break-out space. The restaurant would also be used exclusively for your lunch breaks enabling a good working lunch facility.

We have a beautiful shaded pool area that can be used during morning or afternoon tea. It provides the perfect relaxed area for break-out sessions.

The conference Room is 5m by 6m.

The best allocation for this area is up to 16 people in a "U"Shape setting or 25 people "Theatre Style" (no tables) or 10 people "Boardroom Style".

We are also able to set up "Class Room" style for 12 people.

Leisure Time

There is a 13m salt water lap pool and small gymnasium on site. Climb to the top of Castle Hill, right at our doorstep. For something more leisurely the Strand or the Flinders St Mall are only a short walk away, with everything from shopping to ice cream parlors, cafes and bars. For the more adventurous, a night at the Casino is a fun way to relax. Additionally there are several very good golf courses close by.

Enjoy reef diving, snorkeling or jet skiing on Magnetic Island (only 20 minutes by Ferry). Other interesting options are a visit to the Reef HQ Aquarium or take the opportunity to go further a field with a 4 wheel drive safari or a well earned fishing trip. Our brochure stand has all the information you require.
